

Learning Support Partner Role Description and Duties

The Learning Support Partner (LSP) role involves working as part of a team with Learning Enhancement Teachers (LETs) other LSPs, the Learning Diversity Leaders and classroom teachers to provide support for students with diverse needs.

LSPs support student learning under the direction of teachers, working with individual and small groups of students to assist them with their educational programs and personalised learning goals.

LSPs are responsible for:

- maintaining the safety, wellbeing and protection of all children in our care, alongside all staff in our school
- building positive relationships with children and assisting in creating learning environments where all are valued, engaged, and challenged
- working collaboratively to support the implementation of personalised learning strategies and programs as identified in students' Personalised Learning Plans (PLPs)
- facilitating small group tasks/intervention groups, with support from teaching and/or allied health staff
- supporting individual students to access classroom learning
- supporting with the provision of a learning environment that supports students' sensory, regulation, processing and language needs
- engaging in ongoing professional learning and committing to ongoing improvement
- working collaboratively with a variety of teachers, allied health staff and learning support staff
- recording adjustments and program notes in line with NCCD evidentiary requirements
- demonstrating an understanding of child safety and the appropriate obligations and behaviours when engaging with students
- supporting with school and extracurricular events, as appropriate to the role
- supporting the Catholic ethos of the school
- supporting the school in any other reasonable way as determined by the school principal or delegate
