

Dependant and Temporary Full Fee Paying Overseas Student (FFPOS) Procedure for MACS Schools

1. Purpose

This procedure outlines the application, approval, and enrolment process for school-aged children on temporary visas, and those listed as dependant on a parent's student visa seeking to enrol in a Melbourne Archdiocese Catholic Schools Ltd (MACS) school. It was developed to support principals in MACS schools manage Full-Fee Paying Overseas Students (FFPOS) in line with system policies, compliance obligations, and fee structures.

2. Scope

MACS schools must adhere to this Dependant and Temporary Full Fee Paying Overseas Students (FFPOS) Procedure. This procedure has been informed by the Enrolment Policy for MACS Schools and Enrolment Procedures for MACS Schools.

This procedure applies in MACS schools, including specialist schools operated by MACS subsidiary, Melbourne Archdiocese Catholic Specialist Schools (MACSS) and school boarding premises operated by MACS schools. It applies to those seeking to enrol school-aged children classified as Dependant Students or Temporary Students under relevant subclasses. The completion of the [MACS International Enquiry Tracker Form](#) is required for approval and enrolment for relevant visa sub-classes including:

2.1. Dependant Students

Dependant students are children listed as dependants on their parent's student visa, including:

- Subclass 500 Student – Higher Education Sector
- Subclass 500 Student – Vocational Education and Training (VET)
- Subclass 500 Student – ELICOS (formerly 570)
- Subclass 500 Student – Non-Award

Children who are listed on their parent's Contributory Parent visas are also considered dependent students:

- Subclass 173 Contributory Parent (Temporary)
- Subclass 884 Contributory Aged Parent

Fee-liable Dependant Students are charged the [International Students – Dependant FFPOS Fee Schedule](#).

Note: some dependant students may be fee exempt if their parent(s) are studying at a Victorian university for research purposes and can adhere to the enrolment procedure at the individual MACS school. These visas include:

- Subclass 500 Student – Higher Education (Australian Government or Victorian Education Institution Scholarships)
- Subclass 500 Student – Postgraduate Research (must supply university sponsorship paperwork)
- Subclass 500 Student – AusAID and Defence.

Fee-exempt Dependant Students are out of scope for this procedure – please refer to the [Enrolment Policy for MACS schools](#).

Further note: Children who hold a Subclass 500 – Schools Sector visa as the **primary visa holder** are considered ‘**Standard Students**’ and must be enrolled at a **CRICOS-registered school**.

- CRICOS refers to the Commonwealth Register of Institutions and Courses for Overseas Students, which sets minimum standards for schools enrolling students who hold a Subclass 500 visa under the Schools Sector.
- MACS schools that are not CRICOS-registered are not authorised to enrol these students. Doing so would breach visa conditions and regulatory requirements.

Standard [International] Students are out of scope for this procedure – please refer to the relevant school’s policies for CRICOS.

2.2. Students in Australia on Temporary or Short Stay Visas

Some children may also hold a short stay temporary visa, tourist visa, or visitor visa.

A stay/study period of up to three months is allowed with the [International Students – Dependant FFPOS Fee Schedule](#) for the below visas:

- Subclass 400 Temporary Work (Short Stay)
- Subclass 408 Temporary Activity (*if visa is for under three months*)

All other short-term visas are also limited to stay/study period of up to three months, but are subject to the [International Students – Temporary FFPOS Fee Schedule](#). These include:

- Subclass 417 Working Holiday
- Subclass 462 Work and Holiday (Temporary)
- Subclass 600 Visitor
- Subclass 601 Electronic Travel Authority
- Subclass 602 Medical Treatment
- Subclass 651 eVisitor
- Subclass 675 Medical Treatment (Short Stay)
- Subclass 676 Tourist (Short Stay)
- Subclass 771 Transit
- Subclass 773 Border
- Subclass 943 Crew Travel Authority
- Subclass 944 APEC Travel Authority

2.3. Additional notes

To ensure accurate reporting and compliance, MACS schools should conduct a VEVO check for all students on visas in the week of Census to confirm the student’s visa status.

As MACS receives Commonwealth Government General Recurrent Grant (GRG) funding, applications for students on a bridging visa will be assessed according to the visa subclass they are transitioning to, not the subclass previously held. The applicable fee schedule will reflect the new visa category.

Note: for funding and Census purposes, if a student is on an active bridging visa with no limitations on study, they are to be reported as a “student on a visa” (i.e. not an “overseas student”) on Census and are therefore eligible for government funding.

- The type of visa held prior to the bridging visa, or the visa being applied for, does not affect Commonwealth funding eligibility – what matters is the visa that is in effect on Census Day. Therefore, schools must confirm:
 - The student is the holder of a bridging visa (subclass WA/010, WB/020, WC/030, WD/04#, or WE/05#).

- The bridging visa is active on Census Day.
- The VEVO check shows “No limitations on study” under the Study condition(s).
- All students on active bridging visas would be considered ONLY as a “student on a visa” for Census purposes. They would not be reported as an “overseas student” (i.e. student is not FFPOS).

However, because monitoring when a student moves between fee-liable and non-fee-liable status is administratively complex and impractical, MACS applies full fee-paying status to students on a bridging visa who are applying for a visa that normally requires full fees (such as a student visa). This approach ensures consistency and reduces the complexity of tracking visa transitions.

For all visa sub-classes, please refer to current version of [VCEA Schedule of Visa Subclasses and Conditions for Enrolment of Overseas Students](#).

If after reading this Procedure and/or the Visa Fee Table, schools are still unsure whether an international student should be enrolled under this procedure or their fee status, please contact International@MACS.vic.edu.au for further information and advice.

Students who are categorised/charged as Fee-liable Dependant Students or Temporary FFPOS must enrol via this procedure and obtain MACS Office endorsement and approval ahead of enrolment.

This procedure supports MACS schools in ensuring compliant, transparent, and equitable enrolment of non-CRICOS Full-Fee Paying Overseas Students.

4. Fee information

4.1. Application fee

Each application must be accompanied by payment of the full application fee for every student applying.

- The application fee is non-refundable and must be paid as detailed in the [Dependant and Temporary Full Fee Paying Overseas Students \(FFPOS\) Enquiry Tracker Form](#).
- Applications will not be processed until the application fee is received in full.

4.2. Tuition fee, levies, and ad hoc charges

Payment

Tuition fees, levies, and ad hoc charges are payable directly to the individual MACS school. Accepted payment methods include credit card, bank draft, bank cheque, money order, BPay (within Australia only), or telegraphic transfer.

What fees cover

Tuition fees cover the cost of instruction and standard school services. Additional school fees/levies and ad hoc charges may include items such as curriculum resources, technology, camps, swimming programs, excursions, sacramental programs, and other activities. However, these can vary by school.

- Some schools include a broader range of items in their levies upfront, while others may charge separately for certain activities throughout the year.
- Costs for books, uniforms, visa applications, travel, and any activities not covered by international tuition fees and school fees/levies remain the responsibility of the student's family.

Billing and payment schedule

Tuition fees are invoiced in advance and are payable prior to Confirmation of Enrolment.

- Dependant:
 - Fees are payable by semester (two terms); A minimum of one semester's fees must be paid prior to the student's commencement, unless visa expires prior to semester completion.
 - If the student does not enrol for a full school year, fees are pro-rated but always rounded up to the next full term (minimum charge: one term or 25% of the annual fee) unless otherwise agreed.
- Temporary:
 - Fees are payable in full prior to enrolment.
 - Fees are charged by full weeks, rounded up to the next whole week.
 - The minimum charge is one week (2.5% of the annual rate, based on a 40-week school year).
- No partial weeks or terms are charged for local school fees/levies. The same rounding applies to domestic school fees and levies for these students unless otherwise agreed.

Non-payment

All fees and charges must be paid in full by the due date specified on the invoice. Failure to pay fees by the due date may result in the termination of the student's enrolment, in accordance with MACS policy, procedures, and relevant legislation.

Refunds

If a student withdraws from the school before the end of the paid period, a pro-rata refund of tuition fees may be provided, less any non-refundable fees (such as the application and/or refund administration fee).

Fee changes

Tuition fees, levies, and charges are reviewed annually and may be subject to change. Families will be notified of any changes in advance of the new school year.

Conditions of enrolment

Enrolment is conditional upon payment of all required fees, compliance with school and MACS policies and the maintenance of a valid visa for the duration of enrolment. Families must provide written notice to the school if they wish to withdraw their child.
