

Introduction

The constitution of Melbourne Archdiocese Catholic Schools Ltd (MACS) contains a Statement of Mission, which provides the expectations of the sole member of MACS, the Archbishop of the Catholic Archdiocese of Melbourne (Member), for Catholic schooling and the identity and work of a Catholic school. The Statement of Mission positions MACS firmly in the reality of the Eucharistic character of the Catholic school, affirming that its enterprise is one that builds community and provides opportunity for personal transformation.

With parents and parishes, Catholic schooling seeks to fulfil this mission by providing an environment in which students are enabled to:

- *encounter God in Christ and deepen their relationship with him*
- *pursue wisdom and truth encouraged by a supportive academic culture*
- *grow in the practice of virtue, responsible freedom and serving the common good.*

A Catholic school:

- *is actively embedded in the life of the faith communities of the local Church, which in turn is tangibly manifested in the life of each school*
- *is an essential place for the evangelising of children and young people*
- *exists to assist students, and their families, to integrate faith, reason, life and culture*
- *is conspicuously Christian in outlook, explicitly Catholic in faith and practice, and intentionally missionary in orientation*
- *cultivates spiritual, social and emotional growth in a safe and protective environment*
- *provides a learning environment in which the whole educational community is formed to embrace life in all its fullness (Jn 10.10)*
- *offers a human formation that has the intellectual, practical and moral excellence of learners at its heart*
- *forms consciences, fosters peace and develops respectful dialogue, at the service of intellectual charity*
- *encourages the discovery of Catholic cultural heritage, especially in art, music, literature and architecture.*

St Catherine of Siena Catholic Primary School is a school which operates with the consent of the Catholic Archbishop of Melbourne and is owned, operated and governed by MACS.

St Catherine of Siena Catholic Primary School is a Catholic primary school which was established in 2020 to provide quality education in the Catholic doctrine for families in the Armstrong Creek area.

Our values set out expectations for all members of our learning community.

Our Expectations

We are Learners

We are Respectful

We are our Best Selves

Objectives

At St Catherine of Siena School our objectives are to

- *To offer participation in a community of Faith with a Catholic identity*
- *To develop strong administrative and educational processes that will support a growing school into the future.*
- *To acknowledge and respect the Wadawurrung people of the Kulin nations, the Traditional Owners of the land in which St Catherine of Siena School dwells.*
- *To establish a supportive, safe, inclusive and nurturing school environment that is inviting, engaging, empowering and that strives for excellence.*

It is most appropriate that St Catherine of Siena is our patron, because she had a strong vision for learning, a desire to bring the love of God into everyone's hearts and the courage to make a difference through her actions. From Catherine's own words we take inspiration and courage to...

“Be who you were created to be, and you will set the world on fire.”

Every person at the school has a right to feel safe, to be happy and to learn. Therefore, our school aims:

- *to promote the values of honesty, fairness and respect for others*
- *to acknowledge the worth of all members of the community and their right to work and learn in a positive environment*
- *to maintain good order and harmony*
- *to affirm cooperation as well as responsible independence in learning*
- *to foster self-discipline and to develop responsibility for one's own behaviour.*
